PROSPECTUS.

THE undersigned, believing that a cheap daily Whig newspaper at the seat of Government would prove a valuable auxiliary to the Whig cause during the approaching Presidential contest, will publish, on the first Monday in November next, a thorough and decided Whig paper, entitled,

THE WHIG STANDARD, devoted to the principles and policy of that party, as laid down in the following declarations by HENRY CLAY:

1. "A sound National Currency, regulated by the will and authority of the Nation;
2. "An adequate revenue, with fair protection to American industry;
3. "Just restraints on the Executive Power, embracing further restrictions on the exercise of the Veto;
4. "A faithful administration of the Public Domain, with an equitable distribution of the proceeds of the sales of it among the States;
5. "An honest and economical administration of the General Government, leaving public officers perfect freedom of thought, and of the right of suffrage, but with suitable restraints against improper interference in elections;
6. "An amendment of the Constitution limiting the incumbent of the Presidential office to a single term."

To this announcement we believe every true and ardent Whig will favorably respond. The hearts of the Whig army, whose ranks were unbroken, and whose banners floated unstricken during the campaign of '40, must, everywhere, swell with glorious pride at the memory of the past, and their hopes encouraged by their joyful anticipations of the future. It is true a nightmare of treachery now rests upon the energies of the party; but shall we not arouse to the importance of the political conflict which is about to ensue? There are at this time, few opposition papers at the Seat of Government, each, in its way, endeavoring to sap the foundations of the Whig party, and blasting the prosperity of the country by the measures they propose. Shall we not rally against the foes excited by these emissaries, whose corrupt and atrocious motives are manifest by their early wrangling for spoils which they never can win? We know the response of millions of freemen will be "AT, RALLY!" Already the "hum of either army stilly sounds;" already the general furnishing of arms "gives dreadful note of preparation;" then let ours be a bright and death-dealing sword in the conflict. Let us rally under a leader upon whose standard is inscribed "Liberty, Order, the Constitution;" whose great political and personal virtues endear him to every generous heart, and whose patriotism has never been excelled—let us rally for HENRY CLAY, the Statesman and Sage, the friend of the workingman, the idol of his country, which, for forty years, next to his God, has had his chief care.

In addition to the thorough Whig course which this paper will pursue, its readers will be furnished with the earliest local intelligence of the city and District, and the general news of the day.

The daily hour of publication will be 4 o'clock in the evening; and during the session of Congress a synopsis of its proceedings will be given up to that hour, by able reporters; enabling us thus to transmit abroad, through its columns, whatever of interest may transpire, at the earliest hour.

The WHIG STANDARD will be published, daily, at 10 cents per week, payable to the carriers.

The paper will be mailed to subscribers out of the District, at \$5 per annum, payable invariably in advance, or for a shorter period at the above rate.

As soon as the Presidential campaign shall be fairly opened, a weekly paper, at one dollar for the campaign, will be published for country circulation.

P. S. All communications by mail must be post paid, or they will remain in the post office.

THE WONDERFUL CURES

Per-
form-
ed by Dr.
SWAYNE'S
Compound Syrup
of Wild Cherry, in
Pulmonary CONSUMPTION, have excited the astonishment of all who have witnessed its marvellous effects; there is no account of a medicine, from the earliest ages furnishing a parallel; the almost miraculous cures effected by this extraordinary medicine, are unprecedented. One among the many certificates may be seen below.
CINCINNATI, Feb 15, 1840.

Dr. SWAYNE—Dear Sir: PERMIT me to take the liberty of writing to you at this time to express my approbation, and to recommend to the attention of friends of families and others your invaluable medicine—the Compound Syrup of Prunus Virginiana, or Wild Cherry Bark. In my travels of late, I have seen, in a great many instances, the wonderful effects of your medicine in relieving children of very obstinate complaints, such as Coughing, Wheezing, Choking of Phlegm, Asthmatic attacks, &c., &c. I should not have written this letter, however, at present, although I have felt it my duty to add my testimony to it for some time, had it not been for a late instance where the medicine above alluded to was instrumental in restoring to perfect health an "only child," whose case was almost hopeless, in a family of my acquaintance. "I thank Heaven," said the doating mother, "my child is saved from the jaws of death!" and I now say and believe that, beyond all doubt, Dr. Swayne's Compound Syrup of Wild Cherry is the most valuable medicine in this or any other country. I am certain I have witnessed more than one hundred cases where it has been attended with complete success. I am using it myself in an obstinate attack of Bronchitis, in which it proved effectual in an exceedingly short time, considering the severity of the case. I can recommend it in the fullest confidence of its superior virtues; I would advise that no family should be without it; it is very pleasant and always beneficial—worth double, and often ten times its price. The public are assured there is no quackery about it.

R. JACKSON, D.D.

Formerly Pastor

of the First Presbyterian Church, N.Y.
In districts where Calomel and Quinine have been too freely made use of in bilious complaints, &c., Dr. Swayne's Compound Syrup of Wild Cherry, will prevent their evil effects on the system, and act as a strengthening alternative and improve the bilious functions.

CAUTION.—All preparations from this valuable tree, except the original Dr. Swayne's Compound Syrup of Wild Cherry, are *fraudulent and counterfeit*. Prepared only by Dr. Swayne, whose office is now removed to N. W. corner of Eighth and Race streets, Philadelphia.

Sold by Wm. Stabler & Co., in Alexandria; G. M. Sutherland, in Georgetown; John Hann, Point of Rocks, Md.; the Rev. Isaac P. Cook, No. 52, Baltimore st., and J. W. & R. W. Davis, Baltimore, Md.; E. J. Stansbury, Annapolis, Md.; and by

SOUTHERN TONIC.—This preparation is offered to the public with feelings of delicacy, for in this age of quackery, the proprietors are well assured it is harassed by an enormous catalogue of stuffs for the cure of all maladies. The inventors of this valuable medicine, from a long residence at the South, and from the nature of their vocation, have come immediately in contact with all the diseases incident to that climate, and have been astonished at finding so great a proportion of invalids suffering from fever and ague. Having witnessed the want of success in the practice of the most skillful physicians, and the entire failure of the best prescriptions put up by themselves, they were induced to try the Southern Tonic, a preparation which had long before suggested itself to them, and were gratified beyond their most sanguine hopes by its virtues.

This will be found a valuable alternative, as well as tonic, in most cases of general debility or weakness, and in cases of a torpid and inactive state of the digestive functions, this medicine will regulate the bowels, give tone to the stomach, and increase the appetite, and leave the patient in a comfortable state of health.

HOVER'S BLACK INK.—The above ink is kept constantly on hand by R. FARNHAM, corner of 11th street and Pennsylvania Avenue, who is agent for the manufacturer, and will supply the trade at manufacturer's prices, wholesale and retail. This ink has acquired a celebrated character, and is in extensive use. The following certificates are from Dr. Thomas P. Jones, of the Patent Office, and Dr. F. Hall, late Professor of Chemistry at the Medical College of this city:

WASHINGTON, Jan. 28, 1843.
Mr. Joseph E. Hover: Sir: I have made use of your Black Ink sufficiently long to ascertain that it possesses all the desirable qualities which are necessary in the employment of steel pens more fully than any kind of ink that I had previously essayed, and I have got pretty well through the catalogue. I have not taken the trouble to test it chemically, as this has been already done by others whose certificates are as satisfactory to me as though the experiments had been made by myself.

THOMAS P. JONES.

WASHINGTON, Jan. 28, 1843.

Mr. Joseph E. Hover: Sir: I have examined and used part of the specimens of ink which you left with me, and am prepared to speak favorably of them both. Since I began to use metallic pens, I have never been able to obtain ink which would not more or less corrode, and speedily destroy them. Yours appears to be free from every corrosive ingredient. The marking ink possesses, in my opinion, all the qualities which are requisite to give to the article a very high character. Yours, respectfully,

F. HALL.

WILLIAM THOMPSON, Justice of the Peace, Police Magistrate, and Notary Public, will attend to official business every day, Sundays excepted, from 10 o'clock, A. M., until 5 o'clock, P. M. His office is at the corner of 6th street and Louisiana Avenue; his dwelling is on the east side of 6th street, between E and F streets. The advertiser respectfully calls upon those defendants who desire him to act officially in their cases, to intimate this to the officer, and request him to leave the warrant when served on them at the office of the advertiser. He regrets to have occasion for stating, that by the means which have been used by certain officers to persuade and deter defendants against appearing at his office, he has been deprived of a large amount of corporation and civil business, which was intended for him.

The advertiser is not so unreasonable as to expect the officer, when he arrests a stranger, or a citizen, in whose promise to appear before a justice of his own choice, no reliance can be placed, should indulge the defendant by taking his word. But it is hoped by the advertiser, that no attempt will hereafter be made by the officers to persuade, influence, or deter defendants, either in corporation or civil cases, from selecting the justice before whom their cases shall be tried, as the latter practice has always been the usage and courtesy of the most experienced and respectable officers, and is considered a reasonable privilege, if not a legal right, which every respectable defendant may claim, in the District of Columbia.
